Can't tell you how happy I am about how the dogs are getting along. Dash is just a big ol' lap dog and totally puppy. He and Major lay around the floor when we're home and play and wrestle (something my wife and I had never imagined). Thanks for all of your help and I will keep you up to date with his progress. We start obedience training in 2 weeks.

All is well so far with both Major and Dash. We picked up an extra large crate which he is doing very well with. We took them for a walk yesterday and they seem to be getting along very well.
