[Delilah] and my male, Sax make a perfect match. We couldn't imagine life without these two.

Delilah is doing great! She and Sax are best friends. She loves to splash in her pool on hot days.

It seems Delilah is camera shy. She runs everytime I get [the camera] out. We are having tons of fun now that the fence is finished and [Delilah] is free to run with Sax. She has been sleeping upstairs under the bed with Sax also for a couple weeks.

Just wanted to drop you a line and tell you everything is great here. Delilah seems very happy with her new home and she and Sax have really bonded. She still barks at the cat sometimes, but her Sax and the cat were all under the bed last night hanging out for a little while and she left the cat alone. She is a joy to have around. She makes things very exciting around here. She is also very smart and loveable. We love her dearly.
