

September 5, 2006

Fonzie is remarkable. He has adapted well to our new home. We have him in training.

February 19, 2006

Fonzie and Fatso are getting along great, although I think Fonzie's name should have been Houdini! He has managed to escape from his cage several times, but we have fixed that problem. Now he is enjoying his new life I hope. I love having him around. We will be sending some pictures shortly...Thanks for the new addition to the family.
