[Gracie] is heeling, staying, and laying down on command. We took her to Pennsylvania for Thanksgiving and my husband's uncle remarked that Gracie was the most well behaved dog to ever set foot in his home. She is amazing and we feel very blessed to have her as part of our family. Thanks so much.

Gracie has really enjoyed her first Halloween with her new family! There were tons of trick or treaters that lavished their attention upon her! She is a little spoiled I think but that is what it is all about!

Photos: 1) Gracie all dressed up with her fairy outfit!
2) Gracie in "her" convertible

[Gracie] really loves to ride in the car and we have really spoiled her with all the rides we give her. Her favorite thing is riding in my mother's convertible to the local ice cream shop where we get her a "naked hotdog" while the rest of the family has ice cream. The hardest part is getting her out of the car when we get home!
