Junior has grown a lot in the time we have had him both physically and mentally. He weighed 68 lbs when we got him, he is now at 80 lbs. His favorite thing to do is to pick up empty pop cans, paper plates and assorted junk that the kids leave around and bring it to the trash can. He then gets a treat so he enjoys cleaning up on a regular basis. Junior completed a doggy manners class in April. He won a prize for the fastest dog to lay down on command. We are constantly amazed at how smart he is.
