[We] would like to thank the *Central Illinois German Shepherd Dog Rescue* for taking the extra time and effort with Stormy. ... I'm sure you will be very happy to see that because of everything you've done for him, he has the chance to be a puppy again. He and our other dog, Ava, have become fast and inseparable friends. Even our cats have warmed up to Storm's soft, gentle side. He may fool you in some of the pictures that he might still feel a little sick. It's really just because he and his new sister had been wrestling for hours on end. He got an A+ at the vet. Other than needing to bulk up a bit and work out those muscles, he's in great shape. Which just goes to show that a little TLC goes a long way. Thanks for all your hard work!
